## COMPANY PROFILE

### ❖ ABOUT US

**SOUTH EAST ASIA PETROLEUM TECHNICAL SERVICES Co.,Ltd “SEA-PTS”** is a Quality Inspection Service Company which was established in March of 2011 with the registered office at 20 Nguyen Thien Thuat Street, Thang Nhat Ward, Vung Tau City, Vietnam. Despite being newly founded, our company has achieved some encouraging results to date. We have operated as a Contractor, Company Representative and Agency to carry out projects for our both domestic and overseas Partners/Clients.

At present, we are currently performing assignments for Clients such as Eurtrue Overseas Pte Ltd, Bureau Veritas VN, Petronas Carigali VN, ABSG Inc, ICM, Comin Khmere, PV EIC, PTSC, PTSC POS ...

### ❖ WHY SHOULD YOU WORK WITH US?

**SEA - PTS** is managed and operated by an experienced and dedicated team. We have Inspectors and Engineers who are working on project assignment in both North and South Viet Nam. No matter how challenging a project or how remote it's location SEA-PTS can handle it. This is because we bring an unmatched combination of local knowledge, skill, experience, and customer commitment to every job. SEA-PTS always receives appreciation for its team of qualified and experienced personnel to the Clients we provide a service to.

**SEA - PTS** is an excellent solution for Clients who have Projects in Viet Nam and seeking local personnel with expertise and qualifications coupled with local knowledge in engineering or inspection. Our personnel are currently working on various Project assignments for our foreign Clients in locations such as Vung Tau, Dung Quat, Hai Duong, Ha Noi, Ho Chi Minh City and Cambodia.

**SEA - PTS's** operation depends on knowing that we always consider success of our Client as our own. We focus not only on profit but also on Client's satisfaction of our service quality.

**SEA - PTS** services are widely used for Vendor inspection, new fabrication & installation and in service Inspection in many industrial fields such as Oil & Gas, Power & Chemical and Ship Building industries.

**SEA - PTS** also offers our Client introduction to both Regional and International Expert resources where required.

SEA-PTS Co., Ltd: The leading Inspection Services Company in Vietnam having been Certified Inspection Supplier by CSWIP, AWS, ASNT, NACE & API.  
We provide:

- Inspection Services of Metal Structure, Storage Tank, Pressure Vessel, Piping System, Pipeline and their Associated Facilities.
  - Provision of Quality Assurance and Quality Control Services (QA/QC).
  - Conventional NDT Methods: Ultrasonic Testing, Magnetic Particle Testing, Dye Penetrant Testing, Radiographic Testing, Post Weld Heat Treatment and Hardness Testing.
  - Advanced NDT Methods: Ultrasonic Phase Array Testing, Time of Flight Diffraction.
- For Oil & Gas, Petrochemical & Power, Marine and Civil Construction Industries.

❖ **OUR SERVICES**

**THIRD PARTY INSPECTION SERVICES**

We provide independent inspection services to all industries fields such as Oil & Gas, Power & Chemical and Ship Building industries. SEA-PTS deliverables reflect unbiased statement of fact reporting and confirms verification and inspection services to one or more internationally recognized codes, standards, design specifications and specific technical project requirements.

Our source inspection services at supplier and vendor sites on behalf of, owners and other shareholders verify that the equipment or goods have been manufactured in accordance with a client's specifications and other applicable quality system requirements as specified.

Source inspections are tailored to meet a specific need and may include:

- Review of material test reports
- Review of weld procedure specifications and procedure qualifications
- Witnessing welder's performance qualifications
- Witnessing mechanical tests
- Examination of edge preparation, fit-up and dimensional attributes
- Witnessing factory acceptance tests, hydrostatic and performance tests
- Inspection of coatings
- Verification of quantities shipped, including proper packing and identification marking
- Expediting of completed work

**NON- DESTRUCTIVE TESTING CONVENTIONAL AND ADVANCED SERVICES**

SEA-PTS Co., Ltd has provided Non - Destructive Testing Services:

- Ultrasonic Inspection (UT)
- Magnetic Particle Inspection (MT)
- Liquid Penetrant Inspection (PT)
- Radiographic Inspection and Interpretation (RT & RI)
- Eddy Current Inspection (ET)
- Post Weld Heat Treatment (PWHT)
- Hardness Testing (HT)
- Ultrasonic Phased Array Testing (PAUT)
- Time of Flight Diffraction Ultrasonic's (TOFD)

SEA-PTS Co., Ltd: The leading Inspection Services Company in Vietnam having been Certified Inspection Supplier by CSWIP, AWS, ASNT, NACE & API.  
We provide:

- Inspection Services of Metal Structure, Storage Tank, Pressure Vessel, Piping System, Pipeline and their Associated Facilities.
  - Provision of Quality Assurance and Quality Control Services (QA/QC).

## **QUALITY ASSURANCE/ QUALITY CONTROL (QA/ QC) SERVICES**

SEA- PTS Co., Ltd has provided Quality Assurance/ Quality Control (QA/QC) services to major Oil and Gas, Power & Chemical plant and Ship Building industries. Our personnel and inspection services include but are not limited to:

- Senior Construction Supervisors
- Senior Piping/ Mechanical Inspectors
- Senior Structural Inspectors
- AWS Certified Welding Inspectors
- CSWIP 3.2 Senior Welding Inspectors
- CSWIP 3.1 Welding Inspectors
- Certified Coatings Inspectors
- Project Co-coordinators'
- E & I Supervisors
- E & I Inspectors
- NDT Inspectors/ Co-coordinators'
- Material Controllers
- Document Controllers

### **❖ BRIEF PROCESS:**

#### **I. INSPECTION**

##### **➤ Primary objective:**

- Assure that manufacture and assembly performance of equipment is complied with purchase orders and specification requirements.

##### **➤ Performance process:**

- Start with a pre-inspection meeting, featuring the following approach:
- Review purchase orders and specification in order to identify relevant requirements.
- Establish a sequence of visit to supplier's shop based on:
  - Requirement of vendor production schedule.
- Specific past experience with an individual vendor
- Specific quality requirements of individual items, materials, equipments, etc.

SEA-PTS Co., Ltd: The leading Inspection Services Company in Vietnam having been Certified Inspection Supplier by CSWIP, AWS, ASNT, NACE & API.  
We provide:

- Inspection Services of Metal Structure, Storage Tank, Pressure Vessel, Piping System, Pipeline and their Associated Facilities.
  - Provision of Quality Assurance and Quality Control Services (QA/QC).
  - Conventional NDT Methods: Ultrasonic Testing, Magnetic Particle Testing, Dye Penetrant Testing, Radiographic Testing, Post Weld Heat Treatment and Hardness Testing.
  - Advanced NDT Methods: Ultrasonic Phase Array Testing, Time of Flight Diffraction.
- For Oil & Gas, Petrochemical & Power, Marine and Civil Construction Industries.
